

CO2 Widget - Rio 92

The Rio 92 widget is named for the 1992 Earth Summit in Rio de Janeiro, a hopeful and key event in the history of the world response to the problems of global warming and climate change . This rounded widget is 92 x 92 pixels. It is as simple as the Nano 60, and almost as small and discrete. It is easy to find a good spot for a Rio 92 on most any web page or blog. Think about adding a Rio 92 to some pages on your site.

To add a Rio 92 widget, simple instructions and html code are provided below.

Rio 92 from CO2Now.org

You can add this widget to your website or blog with the HTML code below. The widget at the top of this page is the same widget that people will see when they visit your site.

Widget Installation

1. Copy the HTML code below.
2. Paste it into the source code at your website or blog.

```
<!-- Start of Current CO2 Widget-->
```

```
<p><a href="http://co2now.org/"></a></p>
```

```
<!-- End of Current CO2 Widget-->
```
